

ALI SAFDAR

Web Developer

Web Developer specializing in front end development. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including HTML5, PHP, OOP, JavaScript, CSS, MySQL. Strong background in project management and customer relations.

EDUCATION

2017 – 2021 **BS Computer Science**

Comsats University Islamabad, Sahiwal Campus
CGPA 2.7

PROJECTS

1-E-Portal Alumni

E-Portal for Alumni/Student is the project that is made for the university students that are passed out from the university and the Current studying student for the purpose of their communications. There is gap between the current and passing out students of the university we can provide them a platform for the communication.

Technologies: HTML, CSS, Bootstrap, PHP & jQuery.

2-Airlines Services & Learning App/Website

These were the Mini Projects Prototypes that were designed and created by me during semester.

Technologies: Adobe XD & Photoshop.
